Secretary: Steve Marositz  
Weekend Tournament Director: Tom Hoff  
Senior Tournament Director: John Kerecki\*  
Handicap Chairman: David Pedal  
Member At Large: Larry Taylor  
Member At Large: Dave Scott

\*Absent

### A. Old Business

1. Obstruction/Line of Sight Rule Clarification: At last July's meeting the board clarified that the pump house and restrooms adjacent to hole #12 are to be treated as "relief only if swing and/or stance is affected", not if "line of sight to the green" is affected. Tournament Directors will verbally discuss at a future tournament to avoid confusion.
2. Annual Handicap Review: Dave Pidal reviewed the 240 member roster and concluded a review was unnecessary. This software reviews all member scores pointing out inconsistencies.
3. It was determined no October meeting was necessary, as there were no issues to discuss.
4. An election was conducted in early December when Dave Scott was elected as Member At Large.

### B. New Business

1. A member suggests the board to update the historical meeting minutes on the website. In recent years, only the board has reviewed the minutes. **Action:** The board unanimously agreed with the member's recommendation to add the

minutes to the website starting this year going forward. Historical minutes will be removed.

2. The same member suggests adding a Stableford-type format. **Action:** The board unanimously agreed and will use this format at the February 28 event and judge its' popularity before considering as a regular event.
3. Financial Report:
  1. Treasurer provided the current balance (\$3,413.17) and income from recent events. Overall our current system of distributing funds back to the members through tournaments and events and the accounting are working well.
  2. A general discussion concluded that changing the CitiBank account would not be to our best advantage regarding convenience and stability.
4. The board agree to conduct future board meetings before major tournaments and the Club Championship.
5. A motion was made to close the meeting and seconded by Dave Scott. The meeting was adjourned.
